The following is said Annual Appropriation Ordinance for the year 1966 as *Passed:*

THE ANNUAL APPROPRIATION ORDINANCE OF THE CITY OF CHICAGO FOR THE YEAR 1966.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following sums of money set apart according to departments and other separate agencies of the City government are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during the fiscal year beginning January 1, 1966.

SECTION 2. SECTION 5. The appropriations for liabilities at January 1, 1966, shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City of Chicago and have been properly vouchered and audited.

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to employment of personnel only as needed, or as may be required by law, not to exceed the specified maximum number designated in this ordinance for any office or position by title. When there is no limitation as to the maximum number that may be employed for any office or position by title, one or more persons may be employed regardless of whether such title is printed in the singular or plural. The Electrical Construction Capital Account is established for the purpose of constructing, maintaining and repairing street lighting and other public electric facilities, and for the purpose of purchasing and maintaining a stock of material and supplies in connection therewith, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing material and services, including for incidental and overhead expense, not to exceed the following percentages: Twenty per cent of the direct labor charges and seven per cent of the material and other charges; provided that charges for the use of trucks, compressors, mixers and other rolling and mechanical equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance, housing and operation of such rolling and mechanical equipment and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Electrical Construction Capital Account to a depreciation reserve fund and expended therefrom for the replacement of rolling and mechanical equipment.

Expenditures are authorized to be made for material and supplies for hire of trucks and other equipment and for other services

ENGINEERING REVOLVING FUND

The Engineering Revolving Fund is established for the purpose of doing the necessary work in connection with the engineering, inspection and supervision of projects under the jurisdiction or supervision of the Department of Public Works of the City of Chicago, the expense of which is to be reimbursed from appropriations of the City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Section 7-24.1 to 7-24.10 of the Municipal Code of Chicago and to the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing the services including not to exceed twenty percent for overhead and incidental expenses, provided that the engineering and drafting furniture, machinery and equipment used in the furnishing of services shall be charged for at fair rates as established by the department, subject to the approval of the Comptroller. Such rates for furniture and equipment used in furnishing of services shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance and operation of such equipment and furniture and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Engineering Revolving Fund to a Depreciation Reserve Fund and expended therefrom for the replacement of equipment.

Expenditures are authorized for all items as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages, including increments for schedule salary adjustments, and compensation for use of personally-owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified hereunder.

Additional compensation of twenty-five cents per hour is authorized to be paid to employes during such periods as they may work under compressed air.

Overtime at established rates is authorized to be paid to employes.

WHEREAS, God in His infinite wisdom has called to his eternal rest, John F. Bolton, a noted jurist, lawyer of great ability, and an outstanding citizen of our community; and

WHEREAS, Judge Bolton was elected to the bench of the Superior Court of Cook County in 1939. He served as Chief Justice of that court, and throughout the ensuing years as Judge of the Circuit Court he earned a reputation as a compassionate, conscientious, and learned jurist, respected and highly regarded by bench and bar; and

WHEREAS, The long life of Judge Bolton stands as a great inspiration to those of us who serve in public office. About him it can truly be said that he served with honor and integrity and contributed greatly to the administration of justice in his community; now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago, by this resolution adopted on December 20, 1965, hereby express their sense of appreciation of the lifetime of service which Judge John F. Bolton dedicated in pursuit of law and justice, and extend their sympathy to the members of Judge Bolton's family.

Each of the Aldermen extended sympathy to the members of the bereaved family.

Tribute Paid to Late Ralph Ginsburg.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council submitted the following proposed resolution:

WHEREAS, God in His infinite wisdom has called to his eternal rest a great Chicagoan, a marvelous musician and a wonderful man, Ralph Ginsburg; and

WHEREAS, The name of Ralph Ginsburg in Chicago and in other great metropolitan cities had, for a generation of music-making, become synonymous with fine music, fine artistry, and fine entertainment. He was a violinist of exceptional ability and great personal magnetism, and he and his ensemble of musicians became an integral part of the tradition of Chicago's Palmer House where they delighted and charmed guests from all parts of the world.

At nineteen, Ralph Ginsburg was first violinist and concert master of the Chicago Symphony Orchestra. During his years in the Empire Room, between 1925 and 1946, he and his quintet were heard in more than twenty thousand broadcasts, and the music lovers to whom his broadcast programs were part of their daily lives are myriad. Credit for much of the lustre of Chicago as one of the world's great entertainment centers goes to Ralph Ginsburg and the music he created. Now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago, by this Resolution spread upon the Record of the Proceedings of the City Council, hereby pay tribute to the memory of Ralph Ginsburg, and extend to his widow and to his sisters our sincere sympathy in their loss.

OFFICE OF THE MAYOR
CITY OF CHICAGO
December 20, 1965.

To the Honorable, the Members of the City Council of the City of Chicago:

GENTLEMEN—At the request of Mr. Lewis W. Hill, Chairman of the Department of Urban Renewal, enclosed for your consideration are copies of an ordinance which would authorize the Department of Urban Renewal to apply to the Federal government for a "Letter to Proceed" with surveys and plans for an area bounded generally by the Illinois Central Railroad, East 64th Street, the alley first west of South Dorchester Avenue, South Kenwood Avenue, and the alley first north of East 63rd Street.

Also enclosed are certified copies of a resolution adopted by the Department of Urban Renewal at a meeting on December 9, 1965, authorizing Mr. Hill to request City Council approval of the application referred to above.

The ordinance is required in order that the costs of the surveys to be undertaken may be considered eligible for inclusion in a project budget in the event it is determined that the area is eligible for designation as a federally-assisted project.

Referred—PROPOSED ORDINANCE TO AUTHORIZE CHICAGO HOUSING AUTHORITY TO PURCHASE RECEIVER'S CERTIFICATES FROM NUMBER TWO CHICAGO DWELLINGS ASSN.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Planning and Housing:*

OFFICE OF THE MAYOR
CITY OF CHICAGO
December 20, 1965.

To The Honorable, The City Council of the City of Chicago:

GENTLEMEN—I transmit herewith for your consideration an ordinance which would authorize the Chicago Housing Authority to purchase receiver's certificates from the Number Two Chicago Dwellings Association. Under the Illinois Statutes, approval of the corporate authorities is necessary whenever the Chicago Housing Authority acquires an interest in real estate. Since there is the remote possibility that the certificates will not be repaid, a future foreclosure might result in the Chicago Housing Authority acquiring the property. Therefore, in order to invest its funds in the purchase of receivership certificates in accordance with the Statute, the Chicago Housing Authority must obtain the approval of the City Council.

Inasmuch as this is considered to be a very fine program of rehabilitating substandard buildings, your approval of the attached ordinance is requested.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

In order to permit the Chicago Housing Authority to acquire properties in Uptown, Lawndale, South Shore and Lakeview to transfer such properties to the Number Two Chicago Dwellings Association for rehabilitation and either sale or rental to persons and families of moderate income, the approval of the attached ordinance is required. Your favorable action on this ordinance is requested.

WHEREAS, In order to enable the Local Public Agency to obtain such financial aid, it is necessary for the Local Public Agency to authorize and, from time to time, issue certain obligations as hereinafter provided; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That in order to provide funds to enable the Local Public Agency to defray expenses and costs in connection with the undertaking and carrying out of the Project, and to refund, renew, extend, or substitute for any Project Temporary Loan Notes by this ordinance authorized to be issued, there are hereby authorized to be issued, from time to time, Project Temporary Loan Notes of the Local Public Agency in an aggregate principal amount outstanding at any one time (whether authorized by this ordinance or any other ordinance authorizing the issuance of Project Temporary Loan Notes in connection with the Project) of not to exceed twenty million three hundred thirty-five thousand four hundred sixty-one dollars ($20,335,461.00).

SECTION 2. SECTION 6. That the Chairman of the Department of Urban Renewal is hereby authorized to file requisitions, together with necessary supporting documents, with the Government, from time to time as Project Temporary Loan or Project Capital Grant funds are required, requesting payments to be made on account of the Project Temporary Loan or the Project Capital Grant provided for in the said Contract for Loan and Grant, and to do and perform all other things and acts required to be done or performed in order to obtain such payments.

PRESENTATION OF PLAQUE TO HON. RICHARD J. DALEY COMMEMORATING TEN YEARS IN OFFICE AS MAYOR OF CITY OF CHICAGO.

By unanimous consent Alderman Keane addressed the Council for the purpose of reminding the members that Honorable Richard J. Daley had been Mayor of the City of Chicago for over ten years, in which time the achievements of his administration of the City government had been truly remarkable. He stated that an engrossed copy of a resolution in plaque form had been prepared, briefly reciting the history of the Mayor's tenure in office. He concluded his remarks by expressing on behalf of himself and the other members of the City Council best wishes to him and the members of his family for continued health and happiness in the coming year.

Alderman Keane thereupon suggested that he and Aldermen Wigoda, Murray, Despres, Campbell, Marzullo, Sain and Sperling act as a committee to present the plaque to the Mayor. The committee then approached the rostrum and made the presentation.

Honorable Richard J. Daley, Mayor, accepted the plaque and thanked the members of the City Council for publicly expressing their approval of his efforts for the welfare and progress of the City during his years in office. He not only thanked the sitting Aldermen but some former Aldermen, whom he noted as guests of the assembly. He expressed his appreciation to all City employes and department heads for the fine cooperation they had shown in the discharge of their assignments, and he particularly praised Alderman Keane, who as Chairman of the Committee on Finance and as floor leader of the Council, had actively participated in the City's progress recited in the resolution. He concluded by expressing appreciation for the good wishes extended to himself and his family and returned the good wishes to the Aldermen and assembled guests and their loved ones.

On motion of Alderman J. P. Burke the privilege of the floor was extended to former Alderman Ray N. Jacobs, who represented the 39th Ward during the years 1951-1955. Mr. Jacobs stated that it was a happy occasion for him to be present to extend the season's greetings to the Mayor and members of the City Council.

COMMENDATION OF SERGEANT-AT-ARMS WILLIAM F. HARRAH ON YEARS OF SERVICE.

By unanimous consent Alderman Wigoda called the Council's attention to the fact that Sergeant-at-Arms William F. Harrah had been in the service of the City for some sixty-five years and stated that he thought it was appropriate for the Council at this time to make public recognition of Mr. Harrah's splendid example of a dedicated public servant.

Honorable Richard J. Daley, Mayor, thereupon suggested that Aldermen Keane, Campbell, Sperling, Marzullo, Wigoda and Sain escort Mr. Harrah to the rostrum, where he was warmly received and invited to address the members of the City Council.

In his remarks "Bill" Harrah thanked the Mayor and the Aldermen for the privilege of expressing his sincere appreciation for the good will and friendly cooperation they had shown him through the years. He stated that he had enjoyed his work and although he had planned at times to relinquish his tasks, he had never been quite up to the task of making a final break from the duties he had been performing since the days he had come as a country lad from Effingham, Illinois, to take up his duties as stenographer in the committee rooms.

The Mayor and Aldermen warmly applauded "Bill" and wished him many years of continued good health in which to serve the City.

Witnesseth:

That Whereas, the Railroad and the United States of America (Corps of Engineers, U.S. Army), hereinafter sometimes referred to as "Government", have entered into an agreement for the allocation of costs for construction of a connecting line between the present Calumet Western Railway and the Chicago and Western Indiana Railroad on both sides of the Calumet River as shown on the plans accompanying Government Contract No. DA-11-032-CIVENG-63-67 dated July 16, 1962; and

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Felicitations Extended to Ruth Nelson upon Retirement.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council submitted the following proposed resolution:

WHEREAS, Ruth Nelson, long a member of the Law Department of the City of Chicago, has decided to resign as an Assistant Corporation Counsel and to pursue, among other things, extensive travel through this beautiful country of ours and other countries; and

WHEREAS, Her record of service to the City of Chicago, through the administrations of seven Mayors, and as many Corporation Counsels, stands as a testimonial to the enormous contributions made by Ruth Nelson, not only as a legal draftsman of ordinances and statutes, but as an adviser, counselor and friend to a host of Aldermen and members of the Administrative Staff. She has always been eager and ready to lend her assistance. Many are quick to criticize public employees for their supposed want of devotion to duty, but all too few are aware of the kind of dedication exemplified by her service to the City of Chicago; and

WHEREAS, We shall miss her cheerful legal assistance and warm friendship; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council, wish Ruth Nelson happiness and success in whatever may be her endeavors for many years to come.

Committee consideration was dispensed with, and on motion of Alderman Keane (seconded by Aldermen Bohling, Wigoda, J. P. Burke, Rosenberg, Murray and Condon) the foregoing proposed resolution was *Adopted,* unanimously.

Alderman Keane and the seconding aldermen expressed their admiration for the outstanding service Miss Nelson had rendered to the City during her tenure as an Assistant Corporation Counsel. They stated that she had distinguished herself as an authority on Municipal law, having been largely responsible for compilation of the Municipal Code of Chicago; that her advice and opinions had been frequently sought and always given in a most courteous and cooperative manner. Some of the aldermen recalled their pleasant association with her when they also served the City in the Law Department where she was unfailingly kind and cooperative to all members of the staff as well as to department heads and to the public. For these and other pleasant characteristics of her personality they stated she would long be remembered as an outstanding and dedicated public servant. They concluded by extending their best wishes to Miss Nelson and her sister for many years of health and happiness in a well deserved retirement.

Miss Nelson being present in the Council Chamber, Honorable Richard J. Daley, Mayor, requested her to say a few words to the members of the Council. When Miss Nelson approached the rostrum she received a standing ovation from the Mayor, the Aldermen and assembled guests.

Miss Nelson thanked the Mayor and Aldermen for their kind expressions concerning her work in the Law Department and stated that she had enjoyed the work, had always admired her superiors, liked her associates and had found great satisfaction in the knowledge that her work had made a contribution in legal matters affecting the City.

At the conclusion of her short address Miss Nelson was again warmly applauded.
